Europe's leading dietary supplements, functional foods and drinks exhibition

Dedicated to Boosting your Business

18-20 May 2010
GENEVA PALEXPO
Switzerland

Finished Products Expo is a unique business opportunity for manufacturers and suppliers from the dietary supplements, cosmetics, functional foods and drinks industries and is the ONLY exhibition of its kind in Europe.

Keep your business functioning

Finished Products Expo attracts the right people because it understands the priorities and meets their needs.

Once again in 2010 it will include a range of educational and commercial features designed to enhance their overall visiting experience
