

Europe's leading dietary supplements, functional foods and drinks exhibition

18-20 May 2010
GENEVA PALEXPO
Switzerland

Finished Products Expo is a unique business opportunity for manufacturers and suppliers from the dietary supplements, nutraceuticals, functional foods and drinks industries and is the UK's only exhibition of its kind in Europe.

Dedicated to Boosting
your Business

Europe's leading dietary supplements, functional foods and drinks exhibition

Dedicated to Boosting
your Business

Keep your business functioning
Finished Products Expo attracts the right people because it understands the promises and meets their needs.
Once again in 2010 it will include a range of educational and commercial features designed to enhance their overall visiting experience
